September 23, 2013

Dear Agency Representative:

The Office of Presidential Correspondence received the enclosed letter to President Obama, which appears to fall within the jurisdiction of your agency. The White House has no view on the merits of the request presented by the letter. We encourage you to respond to the letter within 30 days, if a response is appropriate under your standard policies. If your agency does respond, please indicate in the response that the letter

to the President was forwarded by the White House to your agency. In addition, please send an informational copy of the response for our records to AgencyResponse@who.eop.gov. If your agency chooses not to respond, please email AgencyResponse@who.eop.gov indicating that decision for recordkeeping purposes.

Agency representatives may contact Joe Durham at the White House Office of Presidential Correspondence by email at JDurheim@who.eop.gov or phone at (202) 456-2176.

CASE: WH 09202013-148 - Evelyn Smith

Please let us know if you need anything else regarding this case.

Sincerely,

The Office of Presidential Correspondence
Agency Liaison Department

Message:
Mr President

I urge you to have your aids inquire as to the failure of the La Dept of Health and Human Services to intervene in ensure safe, water supply in St Bernard Parish Louisiana,

Yet, another young person has died because the water supply is infected with ameobas and is not properly chlorinated.

lets spend some \$\$ in Louisiana to ensure that St Bernard is not a third world country
